Fund Management Activities Survey 2003

As an annual exercise to collect information on fund management activities in Hong Kong for regulatory and market facilitation purposes and to better understand the competitive edge of the sector, we have now commenced the Fund Management Activities Survey 2003 (the "FMAS"). We would appreciate your continued co-operation, as in previous years, by completing and returning the attached Questionnaire on or before **26 March 2004**.

The Commission has in the past conducted the annual FMAS in conjunction with the Intermediaries Activities Survey (the "IAS"). Commencing this year, the FMAS will be conducted on a standalone basis. **For those licensed corporations who have completed the FMAS 2002, please complete the FMAS 2003. For those licensed corporations who have not completed the FMAS 2002 but, as of 31 December 2003, have had gross operating income derived from asset management and/or giving advice on funds/portfolios, please also complete the FMAS 2003.** An Acrobat copy of the Questionnaire can be downloaded from the Commission's website at:

[http://eapp01.hksfc.org.hk/apps/cc/regulatoryHandbook.nsf/lkupMainAllDoc/H306/\\$FILE/fmas_questionnaire_2003_eng_26.2.04.pdf](http://eapp01.hksfc.org.hk/apps/cc/regulatoryHandbook.nsf/lkupMainAllDoc/H306/$FILE/fmas_questionnaire_2003_eng_26.2.04.pdf)

The FMAS 2003 is basically the same as the FMAS 2002, except for (a) updating the terms and expressions in accordance with the Securities and Futures Ordinance, (b) requesting for information on relocation of regional headquarters, where applicable, and (c) requesting for information relating to the marketing of funds.

Please read the Guidance Notes annexed to the Questionnaire prior to completing the survey. Please rest assured that all information supplied will be treated in strict confidence and will not be disclosed to any third party except in the form of statistics.

If you have any queries on the FMAS or need a hard copy of the Questionnaire, please contact the Investment Products Department at (852) 2283-6805 if your company begins with the letter A – M, or (852) 2842-7723 if your company begins with the letter N – Z.
