**Circular to Licensed Corporations  
which are licensed for Types 1, 2, 3 and/or 8 regulated activities**

**Information request**

In order to enhance the Commission's understanding of the risk exposures of licensed corporations which are licensed for Types 1, 2, 3 and/or 8 regulated activities, we would like to request these licensed corporations to report information on their proprietary positions in securities and specified investments as at 30 June 2004. Please complete section 1 of the enclosed Form.

For those that do not hold any proprietary positions, please indicate so in the same section.

Separately, we request for certain information about the manpower employed by these licensed corporations. Please provide the information by completing section 2 of the enclosed Form.

For the avoidance of doubt, this is the same request we sent on 30 June 2004. Due to fax server problem, that request has not been delivered to some of the licensed corporations.

In light of the problem mentioned above, the deadline of returning the completed Form to the Intermediaries Supervision Department is now set at **4 August 2004**.

If you have any questions, please contact your responsible case officer of Intermediaries Supervision Department.
