9 December 2004

### **Circular to Licensed Corporations and Registered Institutions**

#### **Courses to Facilitate Former Practitioners to Re-enter the Industry and New Recognised Continuous Professional Training Providers**

Please note that the SFC's Academic and Accreditation Advisory Committee (AAAC) has approved courses to be conducted by the Hong Kong Securities Institute (HKSI) and the Vocational Training Council (VTC) to facilitate former practitioners re-entering the industry. Completion of the courses will serve as a new alternative to passing licensing examinations for former practitioners who have left the industry for three to eight years in fulfilling re-entry competence requirements.

The approved courses are:

| <b>Re-entry Courses</b>                                                | <b>Relevant Regulated Activities</b>                                                                                                           |
|------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Certificate in Securities Dealing conducted by the HKSI                | <ul style="list-style-type: none"><li>• Dealing in securities</li><li>• Advising on securities</li><li>• Securities margin financing</li></ul> |
| Certificate in Derivative Dealing conducted by the HKSI                | <ul style="list-style-type: none"><li>• Dealing in futures contracts</li><li>• Advising on futures contracts</li></ul>                         |
| Certificate in Corporate Finance conducted by the HKSI                 | <ul style="list-style-type: none"><li>• Advising on corporate finance</li></ul>                                                                |
| Certificate in Asset Management conducted by the HKSI                  | <ul style="list-style-type: none"><li>• Asset management</li></ul>                                                                             |
